- Due date
- Deposit to start order – minimum \$100.00 (required to start artwork, non-refundable if art is started)

- Car colors, graphic ideas, and colors you’d like to use
- **It is NOT consider an order until we have your information, and deposit.**
- Additions to your order at a later date will slow your order, or they will be treated as a new order.

TURNAROUND TIME – Production times vary depending on several things, including – time of the year, what kind of order it is (reorder, changes, etc), artwork approval, and also if you are a returning customer or new customer. Here are some standard turnaround times that you can expect **from the date you actually place the order (It is NOT considered an order until we have your information, and deposit)**

NEW CUSTOMERS (*We’ve never done decals for you in the past*)

- New orders 2 – 4 weeks (6 – 8 at the beginning of the season is not uncommon)
- ReOrders 3 – 5 days

RETURNING CUSTOMERS

- New orders 2 – 4 weeks (6 – 8 at the beginning of the season is not uncommon)

***Turn-around times listed are approximate, and may vary throughout the year.*

RUSH ORDERS – Orders needed in less time than our standard turnaround times will be assessed a 25% rush charge.

PAYMENT – Full payment is due upon completion of your order, or prior to shipping. If a sponsor is paying for your race decals, we still require full payment upon completion of the order. **We will not “bill it to your sponsor”.**

WRAP MEASUREMENTS – If you are ordering a wrap, **YOU MUST PROVIDE MEASUREMENTS FROM OUR TEMPLATES FOR YOUR CAR** (*Not your friend’s car or an identical car*). Measurement diagrams from other companies usually do not contain all the information we need, and it seems that every race car body is just slightly different. If you do not provide measurements, and the wrap is wrong – you will still be billed accordingly. We are not responsible incorrect wraps when we are not provided with the correct measurements.

INSTALLATION – Installation is **NOT** included in the price of the decals, and is billed separately.

Installation Requirements:

- The car cannot be excessively dirty (*We'll cut you some slack if you bring it on an open trailer & it's raining*)
- All protective plastic must be removed from panels
- **All body panels must be fitted, mounted, and securely fastened** (Basically race ready)

Here are some approximate install prices (Prices include basic cleaning & vehicle prep at our shop):

- Full Wrap \$125.00 - \$225.00
- Partial Wrap \$75.00 - \$125.00
- Basic lettering \$50.00 - \$150.00

PROOFS – Prior to printing your decals, we normally send a proof. Check it over carefully. If you tell us the proof is ok, we will produce the decals. If something on the proof was wrong and you did not tell us, it will still be billed accordingly.

SPONSORSHIPS – If you are seeking a sponsorship, a proposal must be submitted to us by the end of November for the upcoming season.

ALL SALES OF RACE DECALS ARE FINAL – NO REFUNDS OR RETURNS
